Operational Review and Prospect

Last year, the Company has changed its name from TLT Lottotainment Group Limited to Evershine Group Holdings Limited. This name change provides us a new image moving forward and signifies a new direction and strategy of the Group – which is to increase synergy among the Group’s core businesses and seek new revenue sources and favorable opportunities by ways of acquisitions and capital investment.

The operation of the travel agency business has been unprofitable during the period. We will continue to take a prudent approach in further developing of the travel agency business.

Advertising and marketing business have recorded a loss during the period. The management team has adjusted the business plans and revenue model in addition to exploring collaboration opportunities to enhance the profitability of this business segment.

The Company has acquired the PRC operating rights of a mobile game by the name “Ninja In Barrel” (the “Game”) last year. The Company has officially launched the Chinese version of the Game in September 2015 in China adopting the Chinese name “奔跑吧！木桶”, which is available for download on the game portal operated by China Mobile. The Company believes there is an increasing trend of individuals in the PRC who are willing to spend money on playing mobile games and seeks to take advantage of the lucrative market.

The Company has also acquired Patalogue, a mobile marketing tool that runs on iOS, last year. The Company believes that Patalogue would benefit from the growing demand of O to O solutions and the changes in shopping habits of consumers. The management team has decided to revamp Patalogue in keeping with recent industry trends to enhance its competitiveness in the market.

On 10 September 2015, the Company, through a wholly owned subsidiary, obtained the legal title to operate a trading company, 深圳市俊安鑫盛貿易有限公司 (Shenzhen General Nice Xinsheng Trading Limited*) (the “Trading Company”) located in Shenzhen. The Trading Company is engaged in the import and export of various products. The directors believe the Trading Company will improve the profitability of the Group and is in line with the strategy of the Company to seek new sources of revenue.

The decline in turnover of the Group is due mainly to the slowdown in PRC economy. The management team believes that diversification is the key to maintaining a steady income. The Group will continue to seek new investment opportunities in other business segments and regions while developing and growing the existing businesses.

Update on Disposal of Subsidiaries

Update on exercise of put option and settlement deed for Fountain City Group

As disclosed in the Company's announcement dated 28 December 2012, regarding the exercise of put option in relation to Fountain City group, on 28 December 2012, the Company and the Vendor, have agreed on the exercise by the Company of the Put Option of Fountain City Holdings Limited (the "Disposed Company") to put back the Sale Shares to the Vendor at the Put Option Price of HK\$58,650,000 as the Vendor had acknowledged that the Disposed Company was loss making.

The Disposed Company was a 51% owned subsidiary of the Group. The principal business of the Disposed Company and its subsidiaries is (i) entertainment programme production; (ii) events organization; and (iii) TV-series production.

As disclosed in the Company's announcement dated 26 August 2013, the Disposal was approved by the shareholders of the Company (the "Shareholders") at the extraordinary general meeting held on 26 August 2013. Accordingly, the Completion shall take place on or before 24 February 2014 which is 180 days after the Disposal is approved by the Shareholders and the Option Exercise price shall be satisfied by the Vendor to the Purchaser on the same day. However the Vendor has failed to effect payments of the Option Exercise Price and the Loans pursuant to the Agreement and the Verbal Agreement.

As disclosed in the Company's announcement dated 24 March 2014, after negotiations with the Vendor and the Guarantor, the parties entered into a deed of settlement pursuant to which the Vendor and the Guarantor jointly and severally covenant to the Purchaser that they shall effect payment of the Option Exercise Price and the Loans in the aggregate amount of HK\$64,894,000 by four equal instalment payments of HK\$16,223,500 each with the first instalment payment to be made on or before 24 September 2014, the second instalment payment to be made on or before 24 December 2014, the third instalment payment to be made on or before 24 March 2015 and the fourth payment to be made on or before 24 June 2015.

On 30 December 2014, the Vendor effected partial payment of HK\$6,000,000 out of the aggregate amount of HK\$64,894,000 pursuant to the Settlement Deed.

After negotiations with the Vendor and the Guarantor, the parties have reached a settlement relating to the overdue of the outstanding balance of the settlement sum of HK\$58,894,000 (the "Outstanding Settlement Sum") and a supplemental deed (the "Supplemental Deed") was entered into among the Purchaser, the Vendor and the Guarantor on 20 March 2015, pursuant to which the Vendor and the Guarantor jointly and severally covenant to the Purchaser that the Outstanding Settlement Sum shall be paid and settled by two equal instalment payments of HK\$29,447,000 each, payable on or before the expiration of six months and twelve months from the date of the Supplemental Deed respectively.

The settlement was reached after arm's length negotiations between the Company, the Vendor and the Guarantor. In light of the global financial crisis and economic slowdown, which has adversely affected the ability of the Vendor and Guarantor to perform their respective obligations under the Settlement Deed, and the fact that the Vendor has made a payment of HK\$6,000,000 on 30 December 2014 reassures that the Vendor has the intention to settle the Outstanding Settlement Sum. The Company has decided to not include interest accrued on the Outstanding Settlement Sum in order to speed up the negotiation procedures. The Company believes the entering into of the Supplemental Deed will save

legal and professional costs, however, the Company reserves its rights to commence legal proceedings against the Vendor and/or the Guarantor if they fail to honour their payment obligations under the Supplemental Deed. All the Directors including the independent non-executive Directors have confirmed that the terms of the Supplemental Deed are fair and reasonable, are on normal commercial terms and are in the interests of the Company and its shareholders as a whole. The Company will provide periodic updates by way of announcement regarding the Disposal as and when appropriate.

On 25 September 2015 and 30 October 2015, the Company received the partial settlements of HK\$15,000,000 and HK\$14,447,000 respectively.

Detail refer to the Company's announcements dated 8 January 2013, 26 August 2013, 24 March 2014 and 20 March 2015 and the Company's circular dated 8 August 2013.
